AFTER ALLOWANCE COMMENTS

In a Notice of Allowance mailed May 21, 2004, an Examiner's amendment was included. Applicant agrees to all the amendments made in the Examiner's amendment, however, most of the changes regarding a missing "e" appear to be unnecessary in the copy of the Office Action Response in Applicant's file. Applicant is concerned that the copy on file in the Patent Office may contain other inaccuracies. In order to make sure that a correct copy of the Office Action Response exists in the Patent Office and that the remainder of the claims are accurate, Applicant submits herewith a copy of the Office Action mailed on March 25, 2004.

Respectfully submitted,
